

# FACILITY CARE+

**FACILITY CARE MAGAZINE** is a magazine that targets the healthcare facility professional. These individuals are responsible for achieving and maintaining compliance as it is dictated by state and federal regulations as well as industry codes and standards. These professionals are responsible for setting up safety training pro-grams, ensuring that plant operations support a quality indoor environment, minimizing potential hazards for patients, and finding products and services that will prevent accidents. Douglas Publications recommends this **FACILITY CARE** list for industrial catalogs, office products, educational seminar/conference, pertinent books and newsletters.
